Explanation of State Impact of Regulation:

No fiscal impact is anticipated. The Department of Consumer Protection currently implements the existing regulation concerning continuing education classes for electricians. No additional costs for enforcement or compliance are anticipated.

Explanation of Municipal Impact of Regulation:

No impact on municipalities is anticipated. The Department has jurisdiction over these regulations.

Explanation of Small Business Impact of Regulation:

This proposed regulation merely reduces the minimum number of hours of annual continuing education classes from seven (7) hours to four (4), but allows the Electrical Work Board to ask the Commissioner to increase the classroom time, as needed, up to a maximum of seven (7) hours. Please see the attached Small Business Impact Statement for more details.

Is a regulatory flexibility analysis required pursuant to C.G.S. 4-168a? No.
